

## Setting up Application Environment

### Create IBM Cloud Account

**Step 1.** Navigate to [ibm.com/academic](https://ibm.com/academic) and register with your smartinternz mail

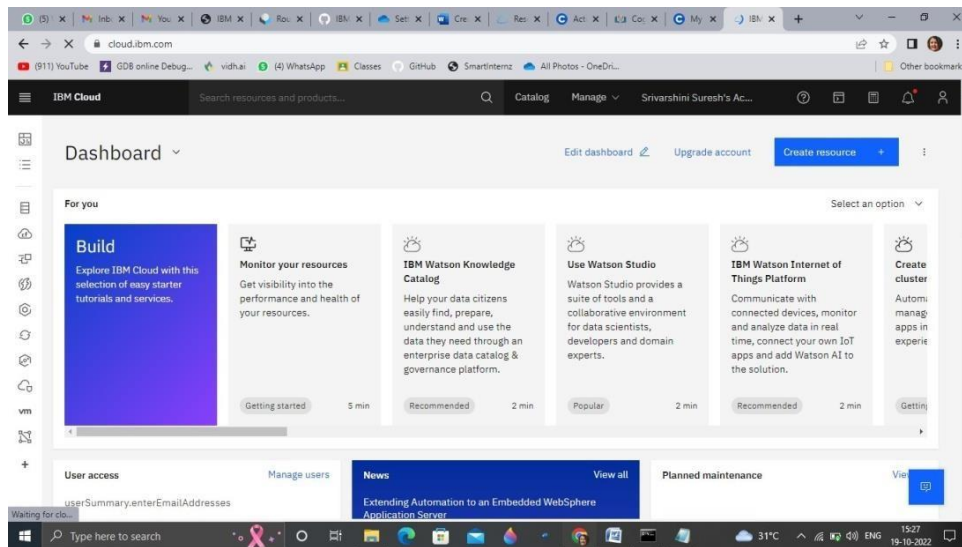

The first screenshot shows the IBM SkillsBuild Software Downloads registration page. It includes a sidebar with the IBM logo and a description of the platform. The main content area is titled '1. Account information' and contains a form with the following fields: Email (913119104106@smarterintez.com), First name (Sivashini), Last name (Suresh), Password (masked with dots), and Country or region of residence (India). A 'Verify email' button is visible at the bottom right of the form.

The second screenshot shows the '3. Verify email' step. It displays the email address 913119104106@smarterintez.com and a 7-digit verification code 4702028. A 'Verify email' button is present. Below the code, there is a link to 'Resend code' and a checkbox for 'IBM may use my contact data to keep me informed of products, services and offerings: by email'.

**Step 2:** Now goto [cloud.ibm.com](https://cloud.ibm.com) and login with your registered mail id along with coupon code obtained from [ibm.com/academic](https://ibm.com/academic)

The screenshot shows the IBM Cloud login page. The header includes the IBM Cloud logo and navigation links for Catalog, Cost estimator, and Docs. The main content area has a 'Log in to IBM Cloud' button and a 'Don't have an account? Create an account' link. Below the login button, there is a 'Sign in with' dropdown menu set to 'IBMid' and a text input field containing 'username@example.com'. A 'Continue' button is visible below the input field. At the bottom, there is a 'Forgot ID?' link and a 'Remember ID' checkbox.

## Output :

Cloud account created successfully.
